## Wedding Menus Information

### Menu Pricing

Menu pricing does not include, current Maine state lodging, meals tax or the 20% service charge. These fees will be added to the total food and beverage charge. The price for the rental of the ballroom will vary depending on time of year and day of the week. Inquire with sales department for details.

### Wedding Ceremonies

Let us help you make your day special by using our lovely gazebo area for your ceremony. What a great advantage to you and your guests, a ceremony site only steps away from your reception. The cost of this service is an additional \$250.00. This fee includes 100 white folding chairs, and a pre-scheduled rehearsal. If you choose to have your ceremony here the ceremony timing is included in the event time.

### Guest Rooms

We are a full suite hotel offering both one and two bedroom units. We would be happy to establish a group room block for your guests. This can be done upon your request, at no obligation to you.

### Deposits

A \$1700.00 non-refundable non-transferable deposit is required when booking your wedding with us here at Village by the Sea. An additional payment of \$1500.00 is required six months prior to your event. The non-refundable deposit and payment will be applied to your final bill. Final payment will be due 14 days prior to your event.

### Bar

A full bar service can be offered. Your choices include cash, open bar, or a combination of both. All bar services are subject to a \$75.00 bar set up fee. If you choose to have an open bar of any kind the total bar tab will have a 20% gratuity added. Payment for any open bar will need to be paid at end of event.
